KM-200

Wired Multimedia Keyboard Combo

Genius®
Live with Ideas

Experience the latest multimedia desktop solution from Genius-***KM-200***. This combo kit has a multimedia keyboard and an optical mouse to let you enjoy all kinds of fun.

The low-profile keycap structure provides maximum typing comfort; and there are eight hot keys for media control and Internet usage. The water resistant function prevents against accidental drink spillages. The mouse features an 800 dpi optical sensor for great movement without worrying about any dust accumulation.

Contact your sales representative for more information about KM-200.
